

SHINE and SHARE

"BITSY BAT, SNOW STAR"

A "Shine and Share" activity improves self-esteem and empathy by recognizing and celebrating differences.

My favorite
snow activity:

A large, light blue snowflake-shaped area with a yellow border. Inside the snowflake, there are several sets of horizontal lines for writing. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. The snowflake has six main branches, each with smaller sub-branches.

Instructions:

1. Read "Bitsy Bat, Snow Star" by Kaz Windness.
2. Think about your favorite snow activity.
3. Write it down on this snowflake.
4. Cut out your snowflake and hang it somewhere you can share it.
