

Let's Draw Worm and Butterfly

Worm

1. Draw a circle for the head, a square for the neck, and a rectangle for the body.

2. Connect the shapes with an outline.

3. Draw lines for the body segments, dots for the eyes, and a triangle for the mouth.

4. Clean up your drawing and erase any extra lines.

Butterfly

1. Draw a circle for the head, a rectangle for the body, and two hearts for the wings.

2. Connect the shapes with an outline. Add legs, a food tube, and tentacles.

3. Draw a mouth and eyes, lines for the body segments, and veins and spots on the wings.
